Signature of Credit/Debit Card Holder

By selecting direct payment from checking account or automatic payment with credit/debit card, you hereby authorize MassDOT to initiate debit entries to automatically replenish your account whenever the account balance falls below the Low Balance threshold. This authorization is to remain in full force and effect until MassDOT has received written notification of its termination in such time and in such manner as to afford MassDOT reasonable opportunity to act on it. You acknowledge that MassDOT may review the activity in your account, periodically, and adjust your replenishment amounts, if applicable, to more accurately reflect your average monthly tolls and fees.

Manual Account Replenishment

By selecting the manual account replenishment, you are required to maintain a sufficient pre-paid balance on your account by making payments via on-line, by mail, fax, phone, or in person.

I authorize change of payment option, as indicated above, and certify that all information contained on this form is true and accurate. I understand any amount due on my account, as well as additional funds for future tolls, will be deducted from the checking account or credit/debit card I have provided. If I have selected manual account replenishment, I am including a check/money order for any amount due on my account, plus additional funds for future tolls.
